COMPANY PROFILE

We at ND Surgical Industries would like to introduce our company and products to you. In business since 1980, **ND DENTAL INSTRUMENTS** is a major manufacturer and exporter from Pakistan.

ND DENTAL INSTRUMENTS utilizes German technology and Japanese stainless steel to produce the highest quality, Surgical /Medical & Dental, Instruments according to our customer requirements.

ND Surgical Industries has worked hard to achieve a good reputation that we have now in this industry. This reputation has been achieved by competitive pricing, attractive packaging in time deliveries and excellent service to our customers.

The management of **ND DENTAL INSTRUMENTS** is committed to maintain a close working relationship and an open line of communication with each and every customer.

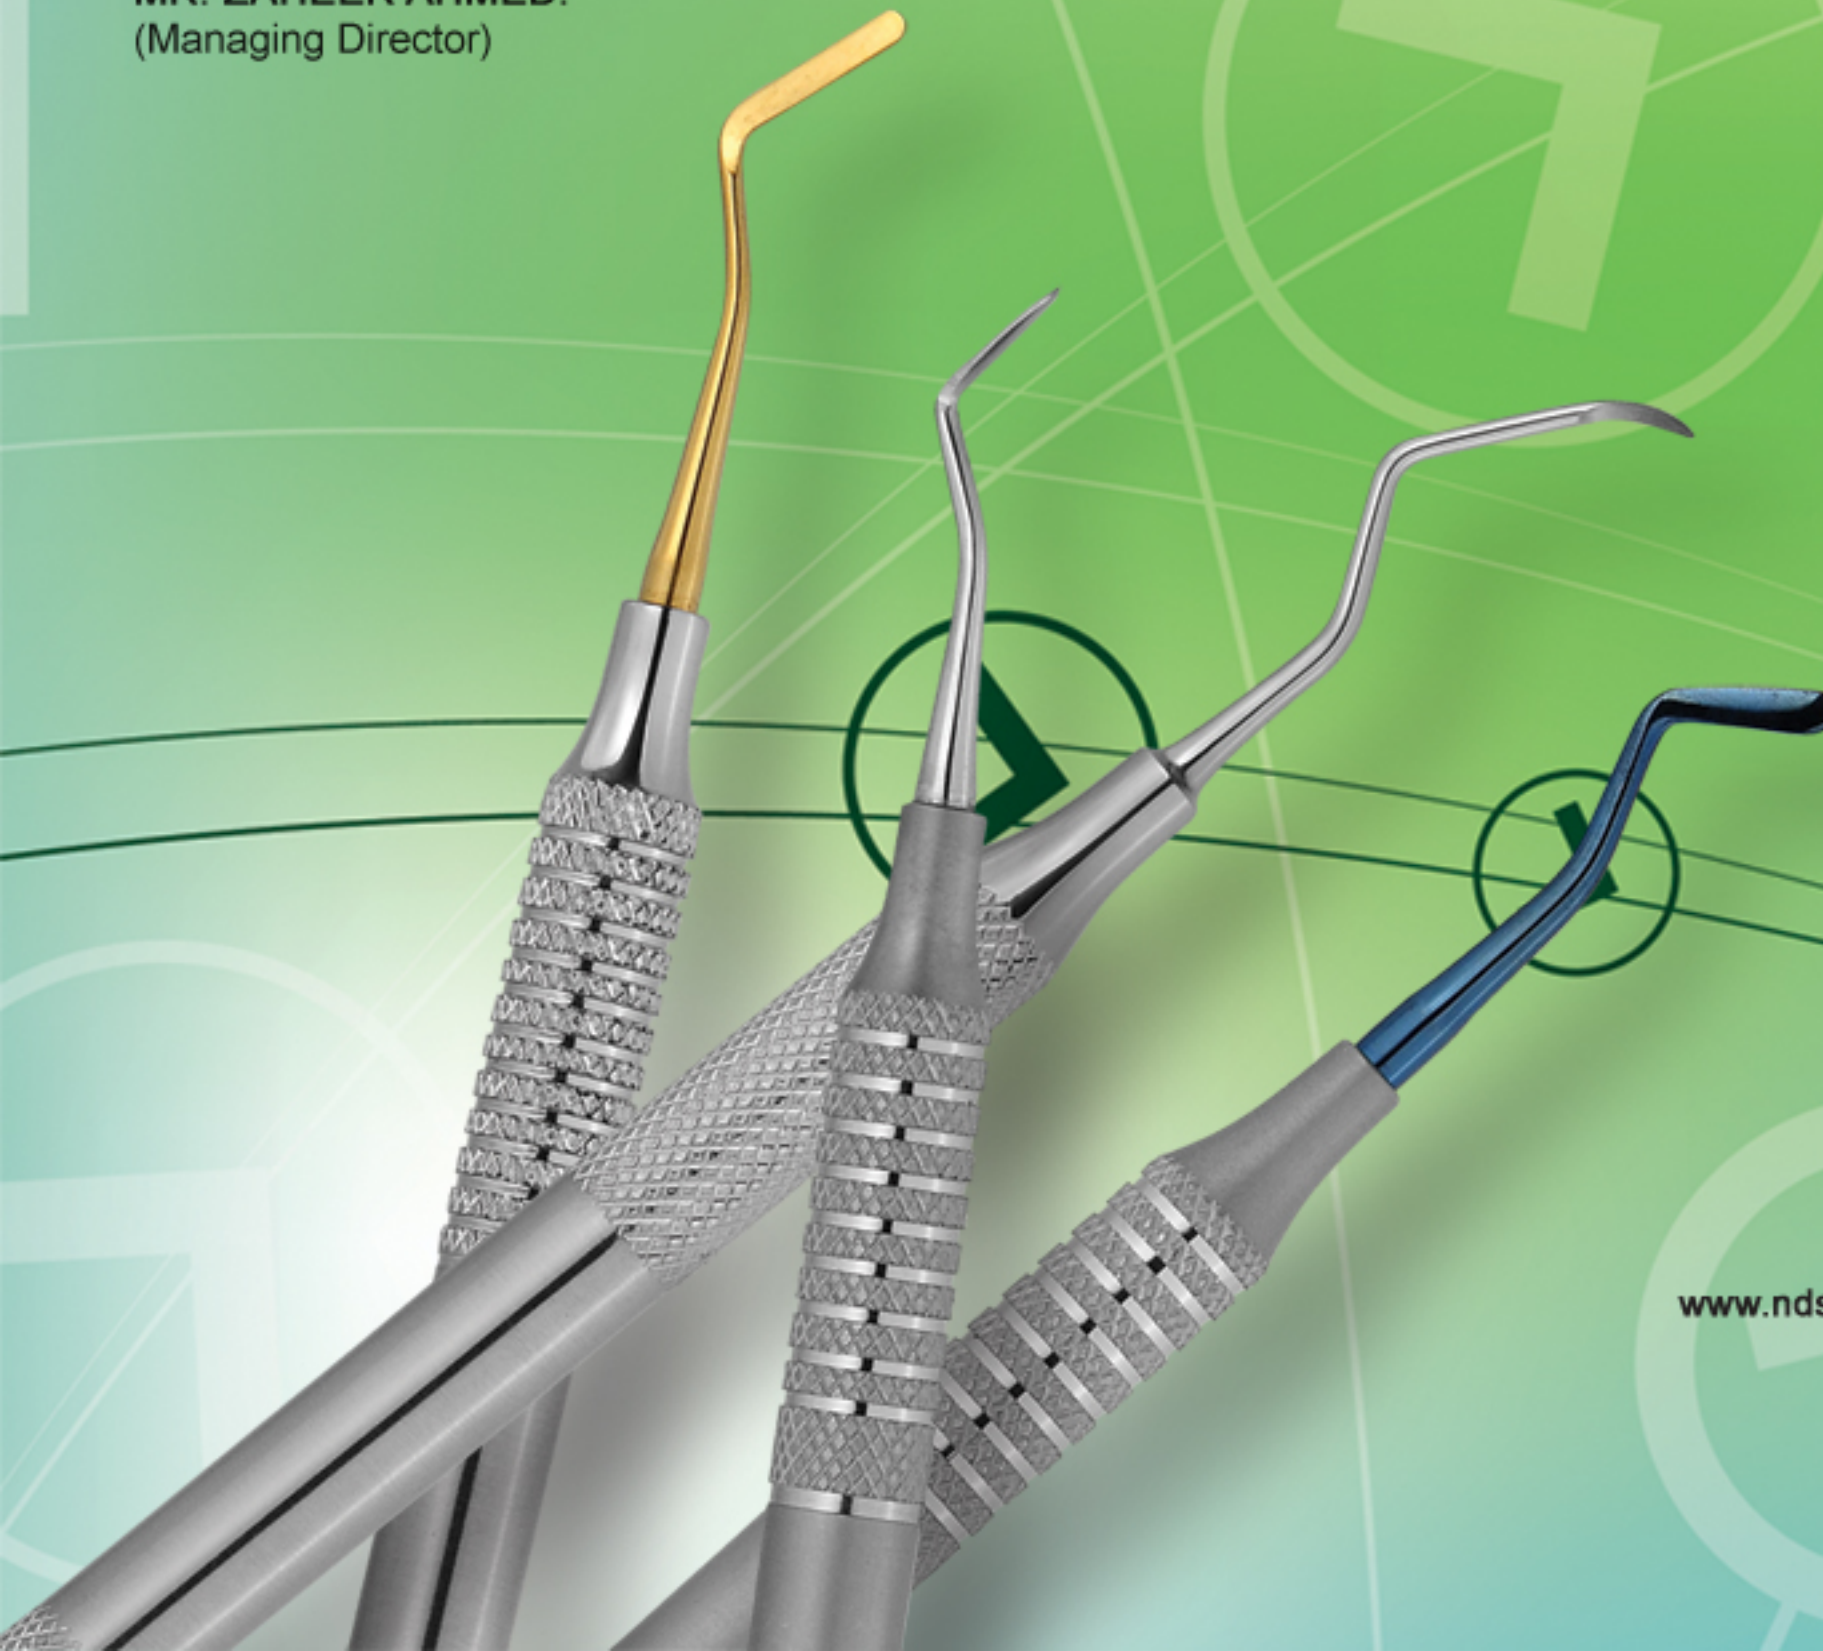

QUALITY POLICY:

ND Surgical Industries group is committed to produce higher quality products for customers Entire satisfaction through standard material high quality and best workmanship. Our Quality is not less than German's Quality.

Due to their first class quality **ND DENTAL INSTRUMENTS** have an excellent reputation worldwide. We are manufacturing according to "ISO 9001: 2000, CE and cGMP/FDI certified " Looking forward to hear from you very soon and very positive.

With thanks and best regards.

MR. ZAHEER AHMED.
(Managing Director)
